

COLLINGWOOD FOOTBALL CLUB

Data and Analytics Internship

- **Time requirements:** Flexible - 6-12 hours p/week (desirable)
- **Length of internship:** 2025 AFL season (November 2024 to November 2025)
- **Location:** Onsite at our AIA training centre

About the club:

Collingwood Football Club (CFC) was founded in 1892. Local residents, community, business leaders and politicians all hoped that having their own football club could help bring a measure of pride to a downtrodden suburb. CFC is one of the great icons of Australian sport. Our history spans 130 years, 16 premierships and more finals appearances than any other club. Most importantly, Collingwood has grown from being a football club to a sports club with a commitment to our community. Collingwood is not made by a President, a Captain, a Coach or a CEO. It's not just any one player, employee, supporter or fan, Collingwood is made by many.

About the role:

- Cross functional internship that is predominantly assisting the business departments of the organisation, however there will be opportunities to assist and be exposed to football related tasks.
- Assist the Data and Analytics team on projects that help shape our club's decision making and strategy
 - Data entry, cleansing and preparation
 - Data visualisations
 - Discovery projects and process efficiencies
- Assist the Data and Analytics team in eliciting scope requirements and strategic priorities of internal stakeholders

About you:

- Will uphold and consistently display our club values of Do Better, Fly Higher, A Nest For All and Side By Side
- Humility, a great work ethic and an eye for detail
- Thirst for knowledge and a passion to work in a high performance environment
- Inquisitive by nature and a desire to continue to think outside the box
- Experience using data visualisation software such as Power BI, Tableau, R or Python and or database management software such as SQL
- Currently studying in a field pertaining to data, analytics, mathematics and or business related courses
 - Undergraduate and Post-graduate students are welcomed
- A Working with Children Check and Police Check are also a requirement of the role upon commencement of internship
- You must also comply with AFL Rules & Regulations

Application process:

- To apply, submit your CV to careers@collingwoodfc.com.au
- Along with a video (that goes for 2 minutes/120 seconds maximum) that addresses the following:
 - Introduce yourself
 - Why you want to complete this internship?
 - What are your two biggest interests outside of university?
- Please upload your video to Youtube or Vimeo and include the link in your application email
- Please include "Data and Analytics Internship" as your subject in your email
- Applications close at 5pm on the 16th of October 2024
